

ADDENDUM TO SOLICITATION

Request for Proposal: CMS Project Manager (RFP #2018-01)

Addendum No.: One

Date: April 20, 2018

To All Potential Bidders:

This addendum is issued to modify the previously issued bid documents, and is hereby made a part of the bid documents. The modification is as follows:

RFP section 3.0, Minimum Qualifications, states that the “[b]idder must have proven experience managing enterprise-wide court or justice applications with integrated data between justice partners or other stakeholders.” As the Court did not intend to limit bidders to only those with CMS experience specific to court or justice, the first sentence of section 3.0 is changed to read “[b]idders with proven experience managing enterprise-wide court or justice applications with integrated data between justice partners or other stakeholders are preferred, but bidders with non court or justice experience will also be considered.
